Rouault in curling playoff

Ray Rouault over the past few years has taken several shots at Consols play—but always throwing rocks for somebody else.

This year, he decided, he'd throw them for himself.

It seems that it has paid off.

Rouault emerged Sunday as St. Albert's representative in the zone 5 playoffs in Westlock Jan. 18 and 19.

He got there by cracking a hefty three in the ninth

and that forced Kurt Schinkinger to throw in the towel in the final of the seven-rink modified double-knock-out playoff.

Rouault and rinkmates Joe Kosterluk, third, Bob Hudson, second, and Frank Veltgreen, lead, swept through the A event undefeated, topping Pee wee Quintall, Roger Comau and Harvey Stelte.

Against Stelte in the A-event final, he needed a hit and roll to the blue with his last rock to pull out a 7-6 victory.

Schinkinger, meanwhile, was gaining momentum in B event, bouncing Quintall and Stelte to come up against Rouault.

Rouault seemed to be in control in their opening match and led 7-5 going home. Schinkinger, however, had last rock and when Rouault suffered his shakiest end of the playoff, brushing a guard with his first stone and breezing by in an attempt to make a double kill with his second, Schinkinger drew in for three and the victory.

In the final game, Rouault was leading 2-1 after five ends when things started to go his way. He stole one of the sixth and another on the seventh before giving up one on the eighth to retrieve last rock with a 4-2 lead.

He broke it wide open with a three on the ninth and it was all over but the handshakes.

Town hit by flu

A large number of St. Albert residents have been hit by the current 'flu bug and many more are expected to fall victim in the next couple of weeks.

A spokesman at the Associate Medical Clinic when contacted by the Gazette Monday morning termed the outbreak very bad, "every body has got it," he said.

The only way to determine if a patient is in fact suffering from the Hong

Kong variety of flu, would be to take a culture and send this to a lab, the spokesman said. He added that with sensible precautions there is no need to fear the current outbreak. His advice, take aspirin, drink plenty of fluids, go to bed and stay there.

If after four or five days of bed rest the condition still persists, patients are advised to seek medical attention.

Meetings planned on amalgamation

St. Albert ratepayers will go to the polls Feb. 5 to state their views on the question of amalgamation with Edmonton.

Two public meetings will be held prior to the vote to discuss the question and review the report on amalgamation Underwood McLehann and Associates Limited prepared for the Town.

The first meeting will be held at 7:30 p.m., on Tuesday, Jan. 14, at Father Jan

School. The second will be held at 7:30 p.m., on Tuesday, Jan. 28, at St. George Simpson Junior High School.

Any written questions submitted to the Town Hall will be answered at these meetings.

The Gazette this week is carrying the complete text of the Underwood McLehann report and ratepayers are advised to keep it for reference.

4 year old Michelle MacDonald, 136 Grandin Road, is being tested on the speech audiometer which the St. Albert Kinette Club has donated to the Sturgeon Health Unit. Looking on are Dr. J. M. Howell, Medical Officer of Health, Mrs. R. Erickson, president Kinette Club and Mrs. W. Hite, chairman service committee, Kinette Club.

Kinettes donate speech audiometer

The St. Albert Kinette Club has donated a speech audiometer to the Sturgeon Health Unit.

In accepting the machine, Dr. J. M. Howell, medical officer of health, ex

pressed his personal thanks and conveyed the grateful appreciation of the board of health.

Dr. Howell said the acquisition of the instrument

will enable the planning of a health screening clinic for pre-schoolers to be brought into the immediate program. Dr. Howell added that the budget of the health unit is so tight that it might otherwise have been a long time before a speech audiometer could be obtained. The cost of the instrument is \$400.

The child to be tested is seated facing a large card with several pictures on it. Earphones are put on the child and the machine, about the size of a tape recorder, is turned on. The child is told to "point to the banana" or "point to the cow." Sounds can be turned up or down and the tester can quite easily determine at which point the child can no longer hear.

Teacher's pay raised

The St. Albert Separate School District and its teachers staffing its five schools have completed salary negotiations for the 1968-69 term, providing the teachers with a six per cent average increase.

Bill Penrose, chairman of the board's negotiating committee, and Frank Ackerman, Alberta Teachers Association executive assistant who was chief negotiator for the teachers, said the increase was "about on

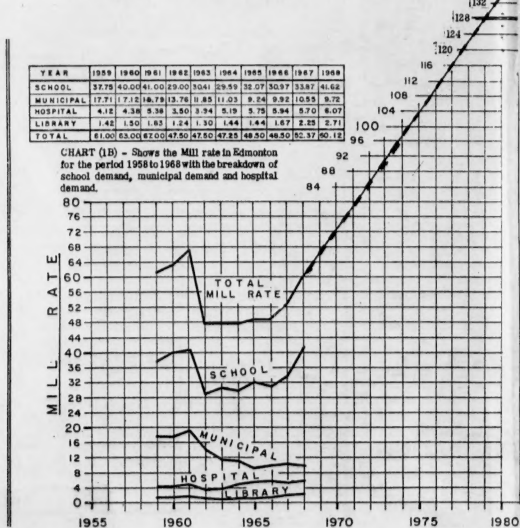

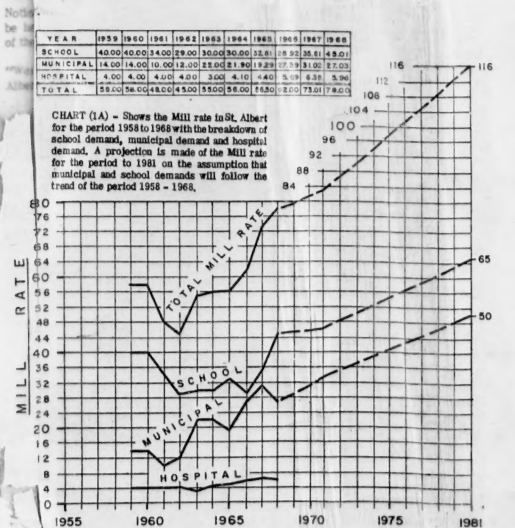

a par or just above" increases granted in 20 other districts.

Mr. Penrose said the increases are about the same as those specified in an agreement signed earlier between the St. Albert Public School District and its teachers.

A teacher with four years training plus five years teaching experience will now make \$8,600 a year.

CREDIT UNION MANAGER L. S. ALAIN AND MRS. RUBY TAYLOR

St. Albert Savings and Credit Union boosted its total assets to a record

\$404,500 at the close of 1968, reports L. S. Alain, manager secretary-treasurer.

The Credit Union's total assets reached the \$404,500 mark in just five years. In 1963 its total assets were

only \$30,000 and only the combined efforts of people like Henry Terrault, Harold Vague, W. G. Boocook, Philip Morin, Marcel Curial and John MacDonald had kept it operating through many lean years.

Two tile matches to headline card

Two tile matches will headline the St. Albert Boxing Club's card in the Community League Hall on Saturday, Jan. 11.

Jim Kelly of the St. Albert Club, who relieved Dennis Belair of the Riverdale Club in Edmonton of his Alberta junior 100-pound title in November, will meet Belair in a return bout.

Gary Larsen, about the hottest place of property wearing St. Albert colors these days, will be after the crown worn by Miles Payton, 80-pound Alberta junior

champion from the South Side Legion.

Larsen has won four straight fights this season, one of them a decision over Payton last month on Payton's home ground. It was Larsen's first venture into the 80-pound division.

Other St. Albert boxers who will appear on the card are: Bob Forand, Maurice Vallee, Allan Eschuk, Lonnie Eschuk, Wayne Dorn, Richard Vallee, Greg Pudowski and Larry Chyzak. The action will start at 8 p.m.

Letter to the Editor

The Kinette Club of St. Albert would like to thank the businesses, churches, schools, and individuals who donated to the Christmas Hamper Bureau.

Thirty-six hampers were delivered this year. The bureau spent many hours collecting gifts from the schools and churches, sorting these gifts into the various age groups, shopping

for food and finally distributing and packing all the merchandise into the hampers. But this would not have been possible without the help of the generous donors of toys, food and money.

We thank you for assisting us in making Christmas a little brighter for these families.

(Mrs.) Doreen Pollard

LEAPING LOLLIPOPS JOIN JUMPING JELLYBEANS
... one of many bright productions in the family show, Ice Capades

Ice Capades returns to Gardens Jan. 14-18

Ice Capades - undoubtedly one of the most popular shows to appear in Edmonton - will open in the Gardens Tuesday, Jan. 14th, running through Jan. 18th with five evening shows and three matinees.

Creating a program of delightful entertainment for the entire family is the trademark of Ice Capades and from the opening downbeat to the truly breathtaking finale the 1969 edition moves with an exciting pace.

As ever, the array of star performers is the finest in the skating world and Ice Capades this year introduces in his professional debut Wolfgang Schwarz of Austria, the 1968 Olympic Gold Medal winner.

Another headliner in this year's show is Donald Knight, three time Canadian Champion and 1967 North American Champion. When Donald joined Ice Capades last year it was the culmination of an inspired amateur career that had carried

him from his home in Dundas, Ont. to Europe at least five times as a member of the Canadian Olympic and World Teams.

Hilarious Hans Leiter, recognized as one of the foremost pantomimists on

Ice, is another Austrian featured in Ice Capades of 1969. Sharing the comedy spotlight with him is Calgaryian George Bussey; the remarkable Vic Zoble, champion diver and law graduate who doesn't even skate, and the

zany team of Hans Mueller and Pepe, a pert and pretty young blond with an unusual flair for comedy.

There's plenty of glamour in the cast too in the persons of Janet Runn, Ardith Paul, a long-legged beauty from Colorado Springs; an exciting new talent known simply as Diane, and of course the precision skating beauties in the corps de ballet.

This year for the first time the show has increased its box office facilities and Northgate Shopping Centre was chosen for this purpose.

Tickets for all eight performances are available at Turnell Ticket Agency on the Mall near the 137th Ave. (north) door.

Evening performances will be held Jan. 14, 15 and 16 at 8 p.m., Jan. 17 and 18 at 8:30 p.m. Matinees will be presented Friday at 5 p.m. and Saturday at 1 and 5 p.m.

Anyone 15 years of age or under will be admitted for half price for all performances except Friday and Saturday evenings.

Recreation in St. Albert

TABLE TENNIS

There will be table tennis sponsored by the Hercules Sports Association, for boys and girls (10-16) in the clubhouse every Wednesday and Friday from 6:30 - 8 p.m.

Mr. and Mrs. Geoffrey Brown of 34 Gillian Crescent have very kindly donated a table tennis table to the Hercules Sports Association and this is much

appreciated. St. Albert is indeed fortunate to have public spirited citizens such as the Browns living in the community.

BASKETBALL

Basketball for girls (12-14) will be starting this week and will continue every Tuesday and Thursday from 7-9 p.m., in Sir George Simpson Junior High School MEN'S SOCCER

Training re-commences in Sir George Simpson Junior High School on January 10.

ARTS AND CRAFTS CLUB Registration for classes will take place on Saturday, January 18. Watch for advertisement in Gazette next week.

The Arts Centre will be going into full operation on Jan. 20. This building in Salisbury Park is something that St. Albert may well be proud of as it was truly a community project, having been completed entirely by volunteers.

"I'll carry this case to the highest court in the land," said the lawyer to the prisoner, "but in the meantime you'd better try to escape."

From the firehall

St. Albert Fire Department were called to a home on St. Vital Avenue, Dec. 23, when an explosion rocked a garage. Damage to the garage and a new foreign car was extensive.

The engine and rear three were the only salvageable parts left of the vehicle. Fire Chief Fred Tetarenko told the Gazette the fire

was started when gas fumes were ignited by the open flame type heater used to heat the garage.

Firemen braved 29 below weather, Dec. 23, when a house trailer, located on the trailer court just north of Griesbach caught fire. Rigs from Edmonton and Griesbach also responded to the alarm. One mobile home was a complete loss, one other was scorched on the outside. The blaze presumably started around the hot water tank. Mr. Tetarenko said some difficulty was experienced when equipment froze up. There was a wind chill of nearly 70 below that day.

Mr. Tetarenko warns motorists not to have their gas tanks filled to capacity when the car is kept in a heated garage. Open flame type heaters which sit on the floor are extremely hazardous, he said. Mr. Tetarenko points out that gas fumes, being heavier than air, stay close to the ground. For this reason he recommends overhead heaters.

Mr. Tetarenko reminds householders to clean furnace filters regularly. Dirty filters can result in burned out motors.

Four year olds next for health screening

Dr. J. M. Howell, medical officer of health, Sturgeon Health Unit has announced a new program for 1969, designed to check certain critical aspects of the health of the pre-schooler. Developed as a result of a re-thinking of the needs of the child at school entry, it includes tests of vision, hearing, speech, vocabulary, teeth and general development, as well as review of immunisation - protection, health teaching and, at a second visit, fluoride application.

Four-year-olds in St. Albert may expect a card on their birthday with an invitation to the clinic, by appointment. The facilities will later be extended to other parts of the health unit area. The test series takes less than one hour.

The penny wise shop in January

Items on sale early in the new year are usually "true sales," says Mrs. Marilyn Hemming, clothing and textile specialist with the Alberta department of agriculture. The price of regular stock is greatly reduced and shoppers can often find a real bargain.

One of the annual good buys is on linens, especially sheets and pillowcases. Mrs. Hemming predicts 100% cotton sheets will be available at reasonable savings this year because the influx of permanent press sheets has reduced the demand for the plain ones. Some people, she says, find the permanent press sheets hot and sticky on a warm summer night. If so, Mrs. Hemming suggests stocking up on all-cotton ones while they are still available.

January is a good time to stock up on birthday and wedding gifts. You'll find reduced prices on china, crystal, glassware and pottery. Household accessories such as bathmats, scales, cushions, utensils and elec-

tric appliances will also be on sale.

Fall and winter clothing and children's apparel usually are on sale this month. With all the "sale," and "save now" signs it is tempting to do some impulse buying. But, Mrs. Hemming says, you should consider quality, usefulness and wear life of any item before you buy it, even if the price is reduced.

A bargain is no bargain at all if your purchase ends up on a hanger or tucked away on a shelf.

The Irishman held his audience spellbound as he related a story of his travels.

"I landed on the island and started to explore," he said, "when I got to the middle of the island, I saw the largest bear I'd ever seen."

He paused dramatically, then went on, "There was only one tree, and the lowest limb was twenty feet from the ground. I jumped for it."

"Did you manage to grab it?" a young think asked.

"I didn't grab it going up," answered the Irishman, "but I caught it coming down."

St. Albert directory published

The 1969 St. Albert Directory is being delivered this week with The Gazette.

It carries a complete list of businesses, organizations and clubs plus a run down on the civic administration, school boards and schools, churches and recreational activities.

It also contains emergency numbers for fire, police, medical, power and gas.

Cut eye forces Jelley out

Paul Jelley, a 125-pounder from the St. Albert Boxing Club, was defeated by Ken Hicks of Fort McMurray in the main event of a card in Fort McMurray on Saturday.

Jelley came out of a clinch

with a cut over the eye in the second round and was forced to retire. The cut took four stitches to close. St. Albert boxers, however, took five of the nine bouts in which they com-

peted against the northern fighters.

Gary Larsen of St. Albert continued his winning streak for this season, running it to four by outpointing Bobby Brooks in the 75-pound division.

Jimmy Kelly, Alberta Junior 100-pound champion from St. Albert, stepped up to the 105-pound class this night and was defeated by Wendell Hodson.

Don Wilson of St. Albert gave away seven pounds to Jim McKecher, who weighed in at 115, but hammered out the decision.

In other fights, St. Albert boxers named first:

Greg Pudowski decimated Timmy Lloyd in the 75 pound division;

Richard Vallee defeated Cliff Powder in the 95-pound class;

Larry Chyzik beat Curtis Hodson in the 85-pound division;

Louie Eschuk was defeated by Lambert Lindstrom in the 50-pound division;

Allan Eschuk was defeated by Gary Powder in the 70-pound class.

Comets record 9-3 win

St. Albert Comets banged in six goals in the third period Sunday afternoon to hand Morinville a 9-3 defeat in their own arena.

The score was tied 2-2 after the first period and St. Albert led only 3-2 after the second.

Eddie Cunningham paced the St. Albert attack with three goals. Fred Hesse, the club's top goal-getter last winter, scored twice and Lou Martineau, Ray Lamer, Vic Roberge and Dave Joyal each once.

Chevalier, with two, and George St. Laurent scored for Morinville.

Comets defeated Spruce Grove 5-2 and tied Vimy 3-3 in their other games in the Sturgeon Valley Hockey League in the past two weeks.

Comets record for the season is now two wins, one loss and one tie.

Comets next game will be against Barrhead on Friday Jan. 10 at 8:30 p.m. in Morinville. They will travel to Spruce Grove for a game on Sunday, Jan. 12 and play host to Westlock in Morinville next Tuesday, Jan. 14.

Singers plan spring program

The St. Albert Singers will resume rehearsals Thursday, Jan. 9 at 8:30 p.m., in the United Church lower hall. The group is directed by Lillian Upright.

A spring program of secular music is being planned by the group, as well as music by Gilbert and Sullivan, folk song arrangements, sea shanties and the like.

An invitation is extended to any enthusiastic singers in St. Albert from high schoolers to grandparents to join the St. Albert Singers. Men are especially needed to achieve a well balanced chorus.

For further information, contact Mrs. Upright at 599-6997.

A man bought a parrot and in trying to make him talk he kept repeating, "Hello, hello, hello." Finally, the parrot opened one sleepy eye and said, "What's the matter? Line busy?"

Genius is nothing else than an infinite capacity for taking pains.

The Legal Knights of Columbus council for 1969. These men will be responsible for the functioning of all the K of C activities in Legal this year. Here they are seen in their robes and with their medals of office.

St. Emile's CWL

On Dec. 16 St. Emile's CWL Ladies made final plans for their Christmas party, for members and families.

Eight hundred and eighty pounds of used clothing have so far been sent to the north. The community is to be thanked for its generosity. Mrs. W. Barry reviewed for us the purpose of the Vanier Institute of the Family and asked us to gather any news we could on the progress which has so far been made.

The booklet containing the three statements by the Bishops of Canada on Contraception, Divorce and Abortion, should be read. This booklet is now in circulation among the ladies.

The religious calendars will be sold on Sunday in Church.

Vimy Column

Sympathies of the district are extended to Mr. and Mrs. G. Caouette and family upon the recent loss of Mrs. Caouette's brother Mr. Louis Kramps. A so bereaved lately was Mr. Jos Rivet who lost his mother Mrs. Marie Rivet from Dapp.

A lovely Christmas concert was presented on Dec. 18 under the direction of the school staff. A delightful program consisting of rhythm band, dances, violin, piano, skits, choral speech, accordion, organ, Ukrainian song and dance, baton demonstrations, solos and choirs were included and thoroughly enjoyed by all. A lively session of sing songs directed by Sister J. Rousseau concluded the program. Mrs. G. Fortier, president of the local Christian Ladies' Movement presented trophies to winners of the contest on "Vocations" which was sponsored by the St. Paul diocese. Winner of each grade was as follows: Grade 3; Pauline Bernard, Grade 4; Cecile Hancheville, Grade 5; Rita Provencal, Grade 6; Rachelle Baert, Grade 7; Cecile Fagan, and Grade 8; Anne Kallal.

Rev. A. Desjardins presented diplomas to all pupils who were successful in

Another year has come and gone. We have seen in this time war, riots and unrest. Everything has accelerated to the point that what is news today is long past history tomorrow. And where do we stand? How much have we been all caught up in this mad world of hatred, envy and greed? Yet there are still many that work for our society and amongst them we can note the Knights of Columbus of Legal. We can thank the work of many knights for this successful year.

We should note the fantastic work of the youth committee for their work with the minor hockey teams as well as their father and son sports dinner. The devoted and untiring of Romeo Boissonault as his three years as Grand Knight ended when Lucien Montpelt was elected for this position. To Romeo we give our warmest thanks and to Lucien our whole heartfelt support. To Richard Maurier we must give our congratulations for

the preparation of the installation of the officers. This very important ceremony marks the take over of responsibility by the new council and thanks the previous council for their accomplishments.

To close the year the Knights gave their fifteen annual New Year's Frolic. The attendants danced away the rest of 1968 to the music of the Satellites and welcomed the new year with their best Sunday kisses, handshakes and much noise and merriment. To the people that decorated the hall so well, to the people that prepared the buffet and to all those that made this night possible we wish to extend our sincere appreciation.

Yes the year has ended but the new one has just begun and so has all the work. The Knights have already started spreading charity and good will and by doing their little bit hope to bring more peace to those around them. With this the Knights of Columbus of Legal wish everyone the best of health and success in 1969 and may this new year bring you happiness and peace of mind.

YOU CAN RAISE YOUR INCOME BY AS MUCH AS \$3,500 PER YEAR

RAISING CHINCILLA'S WITH CANADA'S LARGEST CHINCILLA MARKET CO-OP

CHINCILLA has long been recognized as one of the world's most valuable furs. The velvety softness and light weight of chincilla have contributed to the spectacular growth of this industry, and the demand for top quality pelts far exceeds the supply.

ADDED INCOME - second income families, in their spare hours produce most of the pelts sold on today's markets. You, too, can share in the millions of dollars being earned by these people throughout North America.

CONVENIENCE - most Chincilla Breeders begin in the basement of their homes or in their garages. Chincillas are among the cleanest of animals, odor free, quiet and gentle.

INVESTMENT - the Chincilla business is one of the easiest, and least costly, in which to get started. If you are seeking security, are fond of animals and interested in making up to \$3,500 per year in your spare time, then as little as \$7.00 invested now can start you on the road to Independence.

CARE AND FEEDING - Chincillas cost less than \$3.00 a year to feed and we provide all force priming, killing, pelting and marketing services. Free exchange controlled by IBM machines.
